- [REDACTED] 25X1
1. [REDACTED] in the port of Novorossiysk [REDACTED]  
[REDACTED] the depth in the central part of the harbor was about five and one-half fathoms. [REDACTED] 25X1
  2. [REDACTED] piers and port installations:
    - a. The pier [REDACTED] of Novorossiysk port, was the only pier in the port which did not appear to have been destroyed. A Soviet passenger ship was moored at the eastern side of the pier and vessels which were loading grain were moored at the western side of the pier. 25X1
    - b. The two piers near the cement works were demolished.
    - c. Fishing vessels moored at the pier [REDACTED] This pier was almost completely destroyed. 25X1
    - d. At the head of the pier [REDACTED] on the western side of the pier, there was an extension which was approximately ten meters long and three meters wide. [REDACTED] Tankers berthed at the western side of this pier. 25X1
    - e. A building which was probably a barracks was located in the naval area of the port. [REDACTED] Naval vessels moored at the quay west of the pier [REDACTED] 25X1
    - f. There was a wrecked submarine in the harbor, south of the pier [REDACTED] South of the submarine hulk, there were two pontoons which served as a pier for port service motor patrol vessels. [REDACTED] 25X1
    - g. On the ridge northeast of the port, about five kilometers from the pier [REDACTED] there were three crude oil storage tanks, each of which [REDACTED] 25X1
